# What is NCRRP...?

# NCRRP Departments

# What am I doing?

- **From sample taking...**
    - ... through radiochemistry...:**
  - **Gross alpha- and beta- activity in water**
  - **$^{90}\text{Sr}$  and  $^{137}\text{Cs}$  analyses in water**
  - **$^{90}\text{Sr}$  analysis in foods**
  - **... to Radiometry**
- +**
- **Database establishment (under construction)**

Our newest equipment...

**Thermo**  
SCIENTIFIC

**FHT 770 T**  
Multi Low Level Counter

Our older equipment...

...and our dream equipment:

# LSC

For:

- **Better**;
- **Faster**;
- **And even cheaper analyses**

**Thank you very much  
for the attention!**
